

MAT 215A HW02

Submit your **typeset** solutions to Gradescope by 9:00 pm on the Thursday when this problem set is due; see the class calendar for due dates.

Exercises pulled directly from Hatcher are based on the online version of the book linked to from the course website.

I will secretly choose two of these problems to be graded for accuracy. The remainder will be graded for completion.

1. HE 0.17
2. HE 0.20
3. HE 0.23
4. HE 0.28
5. HE 1.1.1
6. HE 1.1.2
